Don't miss out on our Road Trip 2023

You never know what you might see on a road from stopping at the car wash to watching at a Broadway show. Singing along in the back seat or passing by a mine filled with dwarfs at work. We hope you are all able to join us for Recital 2023 on June 10 at Lehigh Senior High School.

We certainly don't want you or your student(s) to miss out. If you are new to the studio in the last few months, please check with the front desk to ensure everything is set up correctly for your student(s) to participate. Also, if you have a student that has changed classes in the last couple of months stop by the desk to ensure we have everything correct in the computer.

Most of your recital questions will be answered in our recital handbook which has been emailed out or is available on our [website](#) or you can access it with the QR code below. If after reviewing the handbook you still have questions, please feel free to stop at the desk.

Buckle your seat belts and enjoy the ride to recital 2023.
