New Class Offerings For Our Preschoolers

We are offering two additional classes for our preschool students this season.

Our preschool classes remained 80 to 90 percent full throughout the summer so we have opened an additional preschool combo class on Thursdays at 6:15pm.

Many of our preschool parents have also been inquiring about tumbling. Our preschool combo classes do rotate through the different dance styles which include tumbling, but now we are extremely excited to be offering a preschool tumbling class on Tuesday at 6:15 pm. This class will be only tumbling. So, if you have a preschooler that is interested in doing more tumbling, we highly recommend this class.

If you are interested in enrolling your preschooler in any of our classes, please visit our website or stop by the front desk.

2025-2026 Season is Here!

Our 2025-2026 dance season officially starts on Monday, August 11, 2025. If you took the summer off, we look forward to seeing you back in class next week.

As you prepare for classes starting next week make sure you check the following items off your list.

- Is your hair secured away from your face?
- Do you have a water bottle?
- Are you wearing clothes appropriate for dance?
- Does your top stay in place when you go upside down?
- Do you have shoes appropriate for your class?

If you answered yes to all the above questions you are ready for classes. See you next week!

Closed August 4-8

We are closed for our annual maintenance week, Monday, August 4 through Friday, August 8, 2025.

Drum and Guitar Lessons

Music lessons are a great way to start off the 2025-2026 school year. There are lots of studies out there that show that children that learn an instrument get better grades in school.

We offer 30-minute private music lessons for just \$30 a lesson. Learn the drums, acoustic guitar, electric guitar or base guitar.

Wayne our music director, guitar and drum has over 30 years of experience in the music industry as a recording artist and performer. You may even see him performing at local shows or events. Learn from a true professional musician. Stop by the front desk to inquire about times and availability.
