Welcoming a New Face in 2026-2027 Season!

We would like to welcome Miss Meredith to our dance instructor staff. We are excited to make her part of our dance family.

She is a full-time teacher at Lehigh Senior High School where she teaches dance, drama and color guard. She has years of experience in many dance styles, and we are thrilled to have her teaching with us this season as well.

You will see her around the studio mostly on Monday evenings, as she will be instructing our senior musical theatre competition team. Please take a moment to welcome her to our family when you see her.

[View Full Bio](#)

\$70
a month for one dance class a week.

Add a second class each week for an additional \$50 a month.

2026-2027
season classes start
Monday, August 10, 2026.

Important Reminders to All Students

1. Make sure you bring water. We do not have water available at the studio, however there is a grocery store and dollar store in the plaza if you forget so you can always buy water before class starts if needed.
2. Dress appropriately for the class you are taking. For most classes you do need to wear form-fitting clothing to ensure that when you go upside down your clothing stays in place. We do recommend a leotard and tights for all ballet classes. For most other classes dance wear is recommended but it doesn't have to be a leotard and tights although it can be.
3. Make sure you have the correct dance shoes for class. And please only wear your dance shoes inside the studio. This includes hip hop sneakers. The outside dirt makes the floors more slippery when dancing and will ruin the bottoms of tap and ballet shoes. So please pack a bag and bring your dance shoes to change into once you are inside.
4. Secure your hair away from your face. We do require that you fully secure your hair off your shoulders and neck for tumbling classes. And a bun is recommended for all ballet classes.

We look forward to seeing you all in class this season!

Holiday Closure

Closed for Labor Day, Monday, September 7, 2026. Enjoy the long weekend with your family and friends!

Private Music Lessons!

Did you know we offer 30-minute private music lessons in Guitar and Drums. You get a one-on-one private lesson for just \$30.

Learning a musical instrument has been proven to help with other academic growth as well. Many music students get better grades in their academic subjects at school. Music is a great way to work on the other side of the brain which supports overall development.

Give us a call or stop by the front desk to inquire about available times. We look forward to making music with you.
