Recital Plans Continue...

Teachers are starting to pick recital songs and students are beginning to learn recital dances in class. Please make sure if you student recently registered or has switched classes since August that they are registered in the correct class in the computer. You can do this by asking at the front desk or by logging into your account online. It is important that we have your dancer registered in the correct class so that the appropriate costume is ordered.

If you joined us in January and have yet to pay the costume fee for recital, we do ask that you do so this month, as we are going to be measuring students in class and begin ordering costumes later this month.

Please watch your email and the newsletter for more recital information to come.

T-Shirts & Jerseys

Footnotes T-shirts and
jerseys are available to order
at the front desk.

LA Stars To Attend Bravo

We are thrilled to have our next competition right here in Lehigh Acres. On Friday, March 1 through Sunday, March 3, 2024, our competition teams will be attending Bravo Dance Competition at Lehigh Senior High School. If you couldn't make it out to Shake the Ground this is a great opportunity for you to come out and support our dancers and watch a morning, afternoon, or evening of amazing dancing.

An approximate schedule of performance times should be able soon at the front desk. So, if you are looking to catch a particular dance feel free to ask. We hope to see many familiar faces in the audience.
