Footnotes Merch

Footnotes merchandize is a great way to support your studio and for family members and friends to show their support of their dancer as well.

Jerseys and T-shirts are available for purchase, simply stop by the front desk and ask for a merchandize form. Everything is made to order.

Recital Planning Begins!

Now that is 2024 recital planning is under way. We are planning a recital for **Saturday, June 1, 2024**, which is the first Saturday after school gets out for the summer. We are working on securing Lehigh Senior High School again as our venue. Soon a recital theme will be selected, and classes will start selecting their music and learning their dances.

January 15, 2024, recital costume fees are due. The costume fee is \$90 per costume. There are some classes that do not get a costume such as hip hop and tumbling where we opt for items you might have in your closet already or are easy for you to purchase individually. If you are unsure how much you owe for costumes, please ask at the front desk and we would be happy to look at your account and let you know.

We appreciate your timely payments as they ensure that we can get to ordering costumes as soon as possible. Many of the costumes take months to arrive as they are custom made.

LA Stars To Attend Shake the Ground

Our competition teams will be attending their first competition of the season January 26 - 28. Shake the Ground is at South Fort Myers High School, so this is a great opportunity for family and friends to come out and support. Audience entrance is completely free.

If you want to know when our dancers are performing, we can give you approximate times at the front desk. But times are subject to change. Sometimes they run ahead and sometimes they get behind. If you visit the Shake the Ground website, you could also view the competition via their live stream.
