## Happy New Year!

We are so glad to see everyone back from the holidays! If you are planning on changing classes or adding classes, please stop by the front desk. As the new year is a great time to try a new class. Some classes have limited availability so don't wait.

We cannot wait to see what 2025 has in store for all our dancers!

## 2025 Recital Right Around the Corner

We are starting to plan for our 2025 recital. That begins with collecting costume fees. It is \$90 per costume. If you are in more than one class, you may have more than one costume fee. The Hip Hop and Tumbling classes will not have a costume fee, for those classes you will get information regarding what your student should wear when it gets closer to the show, and you will be responsible for getting those items.

You can stop at the desk and pay your costume fees anytime between now and the 15th. If you are on automatic payment, you will be automatically charged the costume fees you owe on January 15th. This might seem early but remember costumes are made to order and must be ordered before.

We will be measuring the students in class, to ensure the correct size costume is ordered. Costumes will not arrive until May. You are responsible for any minor alterations that are needed. Most of which can be taken care of with a few stitches or safety pins. If major alterations are needed for some reason, we will see what we can do on a case-by-case basis.

We appreciate your corporation as we begin planning for a wonderful 2025 recital.
