Road Trip 2023 More Planning

We are just weeks away from recital 2023. The planning is being completed just like any good road trip must be mapped out and so does recital. The costumes will be arriving soon.

When the costumes arrive, they will be passed out. Some classes will arrive before others it is just how it works, but rest assured all costumes are on their way. Please try on costumes when they arrive to ensure they fit. Then keep costumes in a safe location until recital. Recital costumes and tights are not to be worn until recital. If your costume is wrinkled, we suggest either a steamer or simply hanging the costume in the bathroom while you take a hot shower to let the steam take out the wrinkles. Please do not wash or dry clean costumes before recital. You may receive your costume before you receive your tights as they come in two separate orders.

Please remember you are responsible for having the correct shoes for each class. If you need to order dance shoes, please stop by the front desk as soon as possible so that we can get those ordered for you.

Hip Hop and Tumbling classes will be receiving an email in the next week or so explaining what they should wear for recital.

Recital 2023

Recital Stage Rehearsal June 9
5:30 pm (Level 1 and under)
7:00 pm (Level 2 and up)

Recital is June 10 at 2:00 pm

LA Stars Competition Team Auditions

Do you love dancing and being on stage? If so, submit a video audition to join one of our many competition teams for the 2023-2024 season. We have recreational and elite teams of all ages. Video audition requirements have been posted on our [website](#), [Facebook](#) page and at the front desk. **Videos are due by May 15, 2023.**

Recital Concession Donation Request

We offer a concession at stage rehearsal and recital. If you can bring a donation of soda, water, chips, or candy to be sold at the concessions it would be greatly appreciated. All the proceeds from the concessions sales go right back into the studio to help keep costs low.
