Recital is Right Around the Corner

Sunday, June 8, 2025, at 2:00pm

Make sure you take note of the above date as we did have to make a date change due to the availability of the venue. This also affected our stage rehearsal date, which is now Wednesday, June 4, 2025. Everything has remained the same.

Additional recital tickets will be on sale for \$25 a piece starting on May 15 at the front desk. If you know you need additional tickets, please get them early, our show has been sold out for the last two years.

We are now accepting donations for the recital concession stand. All profits from the recital concessions go directly to the studio, this helps keep our prices low and affordable while still having amazing events like this.

Recital costumes will be distributed at the studio as they start to arrive. Tights, Yearbooks, Medals, and your 2 complimentary tickets will also be available to pick up once they arrive. We will have a pickup location set up for all these items so we can keep track of everything easily. Please have patience as some class costumes will arrive before others.

LA Stars End the Season with a Bang!

We are so very proud of all our dancers this season. We wrapped up our season at Showstopper. Our dancers received 26 platinum, 5 gold and many overall placements.

If you didn't get a chance to see these dances, the group dances will be performed at recital. However, all the dances will be posted to our [YouTube](#) page and the LA Stars section of our [website](#). over the next few weeks. So, take a few minutes to check them out.
