Halloween Costume Fun

This year's Halloween costume week will be **Thursday, October 24 through Wednesday, October 30, 2024.**

Come to class in your Halloween costume. Please make sure the student is still able to move and dance in their costume of choice. Please use your best judgement in selecting appropriate costumes for class.

Footnotes wishes everyone a safe and happy Halloween season.

Reopening After Hurricane Milton

We are happy to report that the studio remained damage free from hurricane Milton. Since there was no damage to the studio, it has power, water and internet, we are happy to announce that we will be reopening for all classes starting **Monday, October 14, 2024.**

We know many of our dance families have been impacted by hurricane Milton. Our hearts go out to all of you. If there is anything that you need please don't hesitate to ask.

2024 Showstopper Convention

All our LA Star team members will be attending the Showstopper Convention in Orlando, FL on Saturday, November 9 and Sunday, November 10. If you have not yet made hotel arrangements for this weekend, please do so now as classes typically run both days starting around 8:00 am.

We will meet as a group in the lobby on Saturday morning at 7:00 am, so students can get their wrist band for the weekend. All dancers should bring all their dance shoes as there will be classes in many different styles of dance. On Saturday we ask that all students wear black dance wear and their blue Footnotes jersey. If you do not have a blue jersey from last year, please make sure you order one at the front desk.

We look forward to a great dance weekend.
