## LA Stars to Attend Titans Dance Convention

September 26, 2021, the LA Stars Dance Team will be traveling to Orlando, Florida to attend a one-day dance convention. We are super excited to be attending a convention again this year. Although this is a new convention for us, we are super excited about some of the professionals' names that will be teaching classes to our students throughout the day.

For more information about the Titans Dance Convention visit their website at www.titansallaccess.com

## We Are Following COVID-19 Protocols

We are still following COVID-19 protocols regarding cleaning between classes. Therefore, we do release classes a few minutes early and ask that the next class wait in the lobby for the previous class to exit and for the teacher to walk you back to the classroom.

All students should use the hand sanitizer when they enter the studio. It is conveniently located at the front desk as you enter.

Please keep your student home if they are ill. Students who are home with quarantine or illness can zoom in to their scheduled classes. We do allow make up classes if you are unable to zoom just let us know at the front desk when you return and are feeling better.

Thank you in helping us keep everyone healthy and safe.

Closed Monday, September 6, 2020

> Have a wonderful Labor Day weekend with friends and family.

## Water Bottle Reminder

Please remind your dancer to bring a prefilled water bottle to class with their name on it. This is especially important if your student has back to back classes, as there is no water fountain available at the studio.
