Forever in our Hearts

Shylah Desamours one of our senior dancers, passed this weekend in a jet ski accident. She has been a part of our studio since she was a preschooler and a part of our competitive team for many years. Her smile, laughter and love will be missed by all.

We continue to dance for her, keeping her spirit and love of dance alive.

Dance Shoes

If you have outgrown your dance shoes and they are still in good condition, we encourage you to donate them to our used shoe bin. These shoes are free for other dancers to use as loner shoes or to wear until they outgrow them.

Of course, if you need new shoes for this season, we can size you. Shoe orders typically take one to two weeks to arrive. We can size you for tap shoes, ballet shoes, jazz shoes or turners. Simply ask to be sized at the front desk.

You aren't required to purchase shoes through us, but our prices are comparable to amazon and unlike amazon we are able to size you before you purchase. Ensuring that you don't get the wrong size.

Take More Classes

Did you know a second class is only an additional \$50 a month. Try another style!

Referral Credit

Did you know you receive \$25 credit in your account for referring a new student to the studio? Your credit will appear after they register and pay the first month's tuition.

So, share the love of dance with a friend. The first class is free for new students as well. Can't wait to see your friends dancing with you.
